'A big thank you to all of those people and organisations who have generously supported this event with time, money and enthusiasm and have thus helped to make this day a success for the whole village'.

- THE QUEEN'S GOLDEN JUBILEE CELEBRATION MUG -

This has been hand crafted by Graham Newing who also produced the mug for the Kington St Michael Queens Silver Jubilee Celebration in 1977

The design used on the celebration mug is shown in its original form on the front of this programme. It was produced by Mr John Hall of Kington St Michael

GOD SAVE THE QUEEN

Once again, we request that NO FIREWORKS be let off over the Bank Holiday Weekend. Being mid-Summer, livestock are rearing young and families with young children and pets find the fireworks disruptive and distressing. Thank You.
